**PREPARE NOW**

- Provide defensible space around structures
- Clear flammable materials from roof and rain gutters
- Trim limbs 10 feet from chimney
- For more information (See www.cdflo.org)
- Replace flammable vegetation with fire resistant plants. (See www.ucfpl.ucop.edu/HOGarden)
- Use fire resistant siding and roofing
- Make sure your water tank is full and the hydrant is accessible and marked with a blue reflector
- Have garden hose and ladder available that will reach the roof
- Locate escape routes and shelter in place locations (See map inside)

**IF YOU ARE TRAPPED**

**In your home (shelter-in-place)**

- Stay inside until the fire passes
- Close all windows
- Keep all doors closed but unlocked
- Keep family together and stay calm
- Remember if it gets hot inside your home, it is hotter outside

**In your car**

- Park away from vegetation
- Roll up windows
- Cover yourself with a blanket or coat
- Cover mouth with a dry cloth to protect airway
- Stay in car until fire passes
- If the vehicle catches on fire, exit only when fire passes

**On foot**

- Find an area away from vegetation
- Lie face down

**AFTER THE FIRE PASSES**

- Check your roof and exterior of your home, extinguish all sparks and embers
- Check your attic for hidden embers
- Check your yard for burning wood piles, trees, fence posts, and other materials

**RETURNING HOME**

- Emergency managers will decide when it is safe to return
- Information will be available through the Cal Fire information line, the media, at road blocks, and in shelters

You live in wildfire country......Are you prepared to evacuate?
CHECKLIST: What to do if a wildfire is approaching

- Put valuables, important documents, and essentials, such as medications, in your car. Keep keys where you can find them.
- Secure pets and prepare them for transport. Horse and other large animal owners may call Amador Animal Control.
- Drive carefully and within speed limit. Obey directions of public officers.
- Help others evacuate if you have time. Help elderly and handicapped evacuate.
- Nothing you own is worth your life.

Evacuate to Highway 88. Drive away from the fire or as directed by a public official.

Use caution when evacuating along parts of Columbia Dr and Antelope Drive because of heavy fuel loads and steep slopes.

Evacuate Early and Stay Alive
