PREPARE NOW

- Provide defensible space around structures
- Clear flammable materials from roof and rain gutters
- Trim limbs 10 feet from chimney
- For more information (See www.cdflo.org)
- Replace flammable vegetation with fire resistant plants. (See www.ucfpl.ucop.edu/HOGarden)
- Use fire resistant siding and roofing
- Make sure your water tank is full and the hydrant is accessible and marked with a blue reflector
- Have garden hose and ladder available that will reach the roof
- Locate escape routes and shelter in place locations (See map inside)

IF YOU ARE TRAPPED

In your home (shelter-in-place)
- Stay inside until the fire passes
- Close all windows
- Keep all doors closed but unlocked
- Keep family together and stay calm
- Remember if it gets hot inside your home, it is hotter outside

In your car
- Park away from vegetation
- Roll up windows
- Cover yourself with a blanket or coat
- Cover mouth with a dry cloth to protect airway
- Stay in car until fire passes
- If the vehicle catches on fire, exit only when fire passes

On foot
- Find an area away from vegetation
- Lie face down

AFTER THE FIRE PASSES

- Check your roof and exterior of your home, extinguish all sparks and embers
- Check your attic for hidden embers
- Check your yard for burning wood piles, trees, fence posts, and other materials

RETURNING HOME

- Emergency managers will decide when it is safe to return
- Information will be available through the Cal Fire information line, the media, at road blocks, and in shelters
Evacuate Early and Stay Alive

Evacuate to Highway 88. If routes to Highway 88 are blocked, use routes marked in red with caution. Drive away from the fire or as directed by a public official.

CHECKLIST: What to do if a wildfire is approaching

- Park vehicles facing outward and contain valuables, important documents, and essentials, such as medications in your car.
- Keep car keys where you can find them.
- Secure pets and prepare them for transport. Horse and other large animal owners may call Amador Animal Control.
- Close shutters, windows, heavy drapes, and curtains from inside light on. Wear long pants, long sleeved shirts, goggles or glasses, hat and bandana over your face. Cotton clothing is best—avoid synthetic materials.
- Turn off gas or propane at regulator.
- Turn on outside lights and leave some inside lights on for visibility.
- Wear long pants, long sleeved shirts, goggles or glasses, hat and bandana over your face. Cotton clothing is best—avoid synthetic materials.
- Install smoke detectors in your home.
- Drive carefully and within speed limit.
- Obey directions of public officers.
- Help others evacuate if you have time.

IMPORTANT PHONE NUMBERS
- Life threatening emergencies: 911
- Cal Fire: 530-644-2345
- Animal Control: 209-223-6378 or 209-223-6500
- Red Cross: 209-533-1513

This pamphlet was prepared as part of a Community Wildfire Protection Plan for your area. This plan is available online at www.amadorfiresafe.org
